Adjourn

Meeting called to order.

The May membership meeting minutes were approved

The meeting agenda was approved

Treasurer's report: no transactions this month

## **Business session**

### **May 27 open house in-person social event**

- Appreciation was given to Jay KJ6WSS and Karen KK6ZPM for hosting the May 27 open house event.

### **MOU or SOG with the Fire Department**

- Don NI6A has written a Standard Operating Guide for the interaction between KARO-ECHO and the El Cerrito Fire Department during an emergency. Comments from members are welcomed.
- Fire Chief Saylor has made time for more meetings with Howdy KE6BEE. Progress has been made but nothing definitive has been decided yet.
- Chief Saylor is receptive to city-wide exercise with radio operator participation.
- The chief would like CERT to be operative once again but won't be able to run CERT.
- There is a possibility that CERT training in conjunction with Walnut Creek might be restarted.

### **El Cerrito July 4th table**

- KARO-ECHO has registered for a table at the 4th of July festival.
- A link to a signup form is in the KE newsletter.

### **Website “join” form**

- Rob K6RJM has edited the KE website “join” form to simplify it.

### **Ham Radio Exam Preparation**

- Don NI6A is providing orientation, classes, and exam preparation for new hams or hams preparing to upgrade. More information is available in the newsletter.

## ***Training***

### **Field Day**

- Our location this year will be the KCC grass field near the basketball court.
- Hal KK6NDF obtained approval for us to use the field at no cost.
- A link to a Field Day participation sign-up form is in the newsletter.
- Setup begins at 7AM, operation begins at 11AM, and takedown should be done before 7PM.
- There will likely be foot traffic through the park for PR opportunities.
- There is very little parking space at the unloading area so we will need to unload our equipment and move our cars to another parking location.
- Pavilions planned are HF CW (NI6A), HF SSB (KE6BEE), HF digital (KJ6IUV), VHF/UHF (KJ6WSS), radio email server (KN6BUY), KN6VTY will be the safety officer.
- If EBARC does not operate a GOTA station with us this year any of our pavilions can provide the GOTA function.

Meeting adjourned.
